SONOMA COUNTY CLEARING HOUSE

Representatives from all of the twenty or more banks of Sonoma county met in Santa Rosa Monday evening and organized the Sonoma County Clearing House Association with President John P. Overton of the Savings Bank of Santa Rosa as president, and Cashier E. C. Merritt of the Union Trust Savings Bank as secretary. All the cashiers of the various banks in the county were elected assistant secretaries, while the selection of a vice president was deferred until the next meeting.

Financial matters were discussed at some length and while everything was reported as going smoothly it was decided that the clearing house certificates should be issued as occasion arises so as not to allow all the gold to work its way to San Francisco and other financial centers.

Business is reported as good and the deposits are larger than the withdrawals.

Every city in the county is now temporarily on a clearing house basis. There is no better money certificate than a clearing house certificate. These certificates not only have behind them the strength of all the banks, but every dollar they represent is secured by the pledge of high-class securities far above their face value. They are as well secured as national bank notes, of which not one dollar ever drew redemption.

The notes are not legal tender, it is true; but neither are national bank notes legal tender, and yet nobody refuses them and the clearing house certificates, of course, are as good as the other.

We shall be back on a gold basis as soon as the great streams of gold now entering the country reach San Francisco and allow our banks to resume their normal state. Our banks are not out of gold. Far from it. And what is more, they do not intend to get out. In any large city there are a great many people who, whenever there is a panic, draw out their gold, and hoard it. This is something that they will not be allowed to do this time, because such tactics are not favorable to the business community as a whole.

Cured Bright's Disease
Mr. Robert O. Burke, Elnora, N. Y., writes: "Before I started to use Foley's Kidney Cure I had to get up from twelve to twenty times a night, and I was all bloated up with dropsy and my eyesight was so impaired I could scarcely see one of my family across the room."

I had given up hope of living, when a friend recommended Foley's kidney cure. One 50 cent bottle worked wonders and I had taken the third bottle had gone, as well as all the other symptoms of Bright's disease. L. S. Simmons.

County Pays Bills
Glenn E. Murdock, County Treasurer, announced that he would pay proper warrants presented to him. All the county offices have been closed during the holidays, the treasurer included. The Board of Supervisors are also in session, and transacting the business of the county and having bills against them in need of the wherewithal to stop the bread wagon.

When the baby is born out you will find that a little baby for babies and children, will give you one in a short time. The ingredients are printed plainly on the bottle. Sold by L. S. Simmons.

Supervisors are in Session
The Board of Supervisors met Monday morning and are still in session. Chairman Herbert W. Austin presided, and Supervisors Blair Hart, G. J. Armstrong, I. J. Button and C. L. Pattison, were present.

The Supervisors sold a franchise for more pole and wire lines in different sections of Sonoma county to the Snow Mountain Power Company, the big concern whose plant is located on Eel river, Mendocino county. The company is represented by Attorney J. W. Oates. The bid accepted was for \$250. It was the only bid.

The W. S. Weeks for work on the county jail at \$7.75 per day. The board of Supervisors also advertised for bids for the county hospital and farm.

A number of road bills against the county were audited and other routine business was transacted.

Dakin Work Accepted
S. T. Dakin, the well known Glen Ellen artist has had two of his canvases accepted and placed in the art gallery in the exhibit at Del Monte. This announcement shows a splendid recognition of the local artist's ability, especially when the canvases of Rbajon of San Francisco and Griffin of Oakland were rejected. Dakin is one of the artists of the coast and his splendid views are making a name for him. The magnificent view which he had on exhibition at the Farmers' Institute has been placed on exhibition at Hall's Art Store.—Republican.

The New Pure Food and Drug Law
We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law as it contains no opiates or other harmful drugs and we recommend it as a safe remedy for children and adults. L. S. Simmons.

New Hotel Keeper
The Sonoma House, on First St. east, has not changed hands but the genial proprietor, Frank Quartaroli, takes orders from a bouncing new arrival who came on Monday. He will remain permanently. The happy father is kept busy receiving the congratulations of his many friends over the advent of a son and heir.

Van Amringe Building
Contractor Max and men are busily engaged in putting on the finishing touches to the new Van Amringe building on Broadway. Dr. Van Amringe announces that he will be in his new office and ready for business there on and after next Monday, Nov. 18.

Dancing Proves Fatal
Many men and women catch colds and pneumonia, which terminate in consumption, after exposure to the cold air of the dance. After dancing up a cold and a fever, the results need be feared, for any but the genuine in a yellow package. L. S. Simmons.

The Best Paper

THE BADGE OF HONESTY
The above illustration represents the several native medicinal plants which enter into Dr. Pierce's Favorite Prescription.

It Stands Alone The one and only medicine for the cure of women's peculiar weaknesses and ailments. The ingredients of which are printed and placed upon every bottle wrapper leaving the great laboratory in Buffalo, N. Y., where it is made, is Dr. Pierce's Favorite Prescription.

It Stands Alone Not only in respect to its known composition, but also as the only specific advertised remedy for women's diseases which absolutely contains no alcohol.

It Stands Alone As the one medicine for the cure of women's peculiar weaknesses and ailments. The ingredients of which are printed and placed upon every bottle wrapper leaving the great laboratory in Buffalo, N. Y., where it is made, is Dr. Pierce's Favorite Prescription.

It Stands Alone As nature's diseases peculiar to women, and is composed of Golden Seal root, Blue Cohosh

root, Unicorn root, Black Cohosh root, Lady's Slipper root and chemically pure glycerine of proper strength, to extract and preserve the medicinal principles residing in the roots employed, for any length of time in any climate. It is scientifically prepared by experienced chemists and pharmacists at the laboratory of the World's Dispensary Medical Association, Buffalo, N. Y.

In the early sixties it was usually the duty of a practicing physician to ride many miles every day on his regular round of visits upon his patients. In those days a young man who had received a careful medical training in one of the best colleges of that day was accustomed to ride ten, twenty and often thirty miles or more, visiting the sick and afflicted. His success was soon phenomenal. Doctors and families called him for consultation to towns at considerable distances by rail. He became especially noted in the cure of obstinate and distressing diseases of women. He had early discovered that by combining the extracts of certain native medicinal plants in just the right proportion, with the use of alcohol, his "Prescription" almost invariably cured such cases. Later, in order to place this remedy before the public in a shape easily to be procured, he established a laboratory at Buffalo, N. Y., where regularly qualified chemists and pharmacists were put in charge to accurately prepare his "Prescription" and put it in shape for shipment. This remedy, which he named Dr. Pierce's Favorite Prescription, is not a "patent medicine," but is a real prescription of a real physician in a real practice, and hence the name.

These tiny, sugar-coated anti-bilious granules regulate Stomach, Liver and Bowels, cure Constipation and Bloating, attended by foul breath. One or two for a laxative, three or four for a cathartic.

Cure for Gapes

Gapes among chickens is a difficult disease to overcome, but some remedies have been found to be quite effective. Wheat soaked in turpentine and fed to gapey chicks has been found to give relief. In addition to this, sprinkle air slaked lime on the bottom of a box and put the chicks into it. Inhaling the lime will cause sneezing, which will in turn cause the gape worm to be ejected.

It also might be a good idea to sprinkle the air slaked lime about the ground on which the chicks are accustomed to run. Moth balls are perhaps as good for a disinfectant as anything you could use. They should be sowed up in pieces of old cloth about six to a bag.

Just what causes the gapes is a disputed question, but a good disinfectant will do no harm and may do considerable good. Cleanliness is another thing which should be considered, especially in relation to pure water.—Farm.

Now is the time to get the chickens and separate the breeders. All cockerels should be sold or kept for that purpose, as well as such pullets as do not come up to the standard should be fattened and sold. If one cares for the beauty and uniformity of the flock, discard all that are off in color of legs or plumage as well as those which show abnormal characteristics of any kind. This weeding out process will leave more room for those remaining, besides bringing in as much money as though the birds were fed longer, for with the increase in weight of chickens, there is a decrease in price per pound which makes it unprofitable to keep them longer than is absolutely necessary to grow them large enough for table use.

Scratchings and Pickings

When fowls are confined in yards fed liberally of green food. Pullets should be well mated and mated to vigorous males, for best results.

A successful poultryman says that his eggs cost most when his hens are fed on too exclusive grain diet. To reduce the cost, he fed liberally of shell, cut alfalfa, bone and vegetables.

Filling the water fountains, grit and shell boxes when you feel like it, does not add to poultry profits. It's doing the things when needed that counts.

DeWitt's Little Early Risers are the best pills made. They do not gripe. Sold by L. S. Simmons.

Take lessons from the older and more experienced poultrymen. They know some things you have yet to learn. But don't be afraid to do some experimenting on your own account.

The young poultryman should not be discouraged by temporary failure and disappointment. He should take courage in that those enjoying success, were one time where he is today.

The lessons we seem to pay for the dearest are, after all, many times the most profitable lessons.

Scalded poultry is best for private local trade.

Feeding skimmed milk has a tendency to whiten the flesh.

Games crossed make better table poultry than do the games in their purity.

Dry-picked poultry will stand longer shipment than will that which is scalded.

DeWitt's Carbolic Witch Hazel salve penetrates the pores—thoroughly cleanses—and is healing and soothing. Good for piles. Sold by L. S. Simmons.

Epicures will always prefer fresh-killed poultry to that which has been placed in cold storage.

Fowls should be dressed immediately after being killed, even when the season is not practical.

We have seen money for Orino Laxative put up the new laxative that makes the liver lively, purifies the breath cures headache and regulates the digestive organs. Cures chronic constipation. Ask us about it. L. S. Simmons.

The flesh of the fowl is as easily tainted with bad food as is the contents of the egg.

There is not enough profit in the cramming system of fattening to warrant the practice being followed in this country.

PNEUMONIA FOLLOWS A COLD but never follows the use of Foley's Honey and Tar. It stops the cough heals and strengthens the lungs and prevents pneumonia. L. S. Simmons

NOTICE Having purchased the barber shop in the Cleve building of Geo. Gies. I desire to state to the people of Sonoma and vicinity that I am prepared to do first class work in my line and respectfully solicit a share of the public patronage. Satisfactory work guaranteed.

Stage Caps

The postmaster at Harris, Humboldt county, has notified the office inspectors that the stage on the Sherwood and Peppin Hubbards sized on a grade between Harris and that two from the stage lamps were destroyed. William Edmondson was the driver.

You can't be well if you have a weak, unhealthy, stomach. Neither can you be healthy in eating some little irregular stomach to get you have caused the little stomach out of order. These troubles are signs of indigestion, which may and often does turn into a very bad case of dyspepsia. Don't allow anything to go on a single day without doing something to overcome it. Take Kodol, a reliable and safe remedy. It is the best remedy for dyspepsia and all troubles arising from indigestion. It is easy to digest and affords relief promptly. Sold by L. S. Simmons.

Last Friday a large barn on the Smith ranch just this side of the Lake potato fields, was destroyed by fire. The origin of the blaze was not learned.

There is nothing better for stomach troubles than Kodol which contains the same juices found in a healthy stomach. Kodol is offered on a guaranteed plan for the relief of heart burn, flatulence, sour stomach, belching, of gas, nausea, and all stomach troubles. So at times when you don't feel just right when you are dyspeptic after meals, and your head aches or when you have no ambition and you are cross and irritable, take a little KODOL. It digests what you eat. It will make you healthy. Sold by L. S. Simmons.

Great Game of Ball

A very exciting and interesting game of ball was witnessed in Santa Rosa last Sunday between the Napa and Santa Rosa teams. The score stood 1 to 0. Up to the ninth inning no runs were made.

This is Worth Remembering As no one is immune, every person should remember that Foley's Kidney Cure will cure any case of kidney or bladder trouble that is not beyond the reach of medicine.

Wise Talks by the Office Boy

There's no let up to business in this store; you'd hardly know it was only the second week of November, we're so busy. I only hope I can hold this job down until I get big enough to go down in front. I believe I can make good all right. The two principal things a salesman here is that he be polite and attentive and tell the truth. No one is allowed to misrepresent goods. We don't claim to sell better goods than any one else for less money, but better goods for the same money, or the same goods for a little less money. If everybody would do business the way it's done in this store, there wouldn't be that odor of burnt money in the air all the time. You buy an article here, and it does not give you its full value in honest wear, you can get your money back, or a new article and no questions asked. In some stores, this "money back" talk is just bluff; they make it so hard for you to get satisfaction you get disgusted and sneak out. In this store it's "money worth" or "money back," and you are the one to decide which. We're under wear this month, and unpacking Fall suits to beat the band. Come in and make yourself at home.
